

2011 WLGA Activities

Golf Clinics

Must be a member to participate in the clinics. Cost \$5

Caddy Golf - March 19, 8:30 show 9:00 go

Premise: "A" player with two WLGA members. 20 minutes on driving range so the A player can evaluate distance and skill level of their golfers. WLGA member golfs with the A player choosing the club and making recommendations for his golfer. For example on #7 the golfer flubs it off the tee and is 160 out. "A" player selects the 100 club instead of going for it.

Fun: A potluck after golf at place to be determined

Golf Clinic - June 18, 8:30 show 9:00 go

Premise: "A" players provide instruction on drive, putt, chip, bunker and irons on the driving range then golf nine holes with three WLGA members.

Fun: We will figure that one out. It will involve food and adult beverages

Awful Shot Clinic - September 17, 8:30 show 9:00 go

Premise: "A" players golf with two or three WLGA members. Shots that we will find ourselves in that are less than ideal will be the focus.

Fun: Possibly HelenBack or something.
