Again, we have had a very unusual wet fall/winter. The course is still wet in some areas. We ask that you always use common sense on the course. This is your golf course and please go with a good example when getting around it. Avoid wet areas, and please, stay on cart paths as much as possible... Thank you so much for your cooperation.

## **Foxwood Merchandise:**

Buy items in our pro shop with our name and logo on. Let us all help getting our name “out there” – we do need all the business we can get!

## **Local Rules Change:**

Effective 1 Jan 2010 free relief will no longer be given from the bushes behind #5 and #10 greens.

Nice Foxwood golfshirts for each closest to the pin on all par threes! There will be other prizes as well – long drive, longest put made etc... If you only play lowball once in a blue moon – get out here and participate! We ask kindly that our participants that stay for the big game afterwards bring some sorts of appetizers, food or desserts for everyone to share. We will have happy hour prices all day Sunday!
